

Town of Hillsborough

ANNUAL REPORTS

For The Year Ended December 31, 1984

HOWARD E. PAGE, FIRE CHIEF

HOWARD E. PAGE

1913 - 1984

Chief Howard E. Page died February 22, 1984 at the age of 70. He was born in Hillsborough on September 13, 1913. He was educated in the local school system and also served in the U.S. Army during World War II. He was a survivor of the Japanese attack on Schofield Barracks, Hawaii, on December 7, 1941. He was later to participate in the invasions of Guadalcanal, the Solomon Islands and Luzon.

In 1953 he opened Page Auto Service on Main Street which he ran until his retirement in 1980.

Howard dedicated over 50 years of his life as a member of the Hillsborough Fire Department, as a former commissioner and later as chief for 13 years. He was also a member of the State and New England Association of Fire Chiefs and was a former N.H. State Forest Fire Warden.

Howard was always a great supporter of the children in town and spent many hours of his time involved in youth activities. On October 31, 1984 he was honored by the townspeople by having the playground in the rear of the United Methodist Church dedicated as the Howard E. Page Memorial Playground.

SELECTMEN'S REPORT

Hillsborough did not stand still in 1984 as some predicted it would.

Your Selectmen feel our Town made progress over the preceeding year. No Town is without its problems and Hillsborough seemed at times in the past to be overburdened with theirs. However, we faced up to them and resolved many that were hanging (so to speak) for several years.

Patten Appraisal has been resolved with a substantial payment to the Town.

We have a new tax map, although late, we feel it is the best one the Town has had in years.

Our new re-appraisal is complete and because of it and other factors our tax rate is down. With the cooperation of all concerned your Selectmen will endeavor to keep it that way.

Hillsborough is the proud owner of a new highway garage. Long over due but we did it. Because of its location and the length of the road plus water installation, the original costs were exceeded. Without the help and endurance of the Town crew who worked long and hard to paint and settle the interior, it could have been worse.

Our Hydro Project, after a disastrous washout during construction which caused many delays is now on the line and generating electricity.

At the time this report is being written our new court facility is in the process of renovation. When finished it will be another plus for Hillsborough and another problem resolved.

Members of our sewer committee struggled to or not to change engineering firms in 1983. After much research and thought your committee did change and hired S.E.A. Consultants. We doubt our sewer project would have progressed as smoothly had they not done so. S.E.A. cut through red tape along with the committee and we are indebted to them all.

Daniel D'Onfro's Sons, Inc. was selected under the bidding process for the piping project and also the treatment facility for completion in 1986. Ground was broken for the latter project last fall and is now under way. Once more Hillsborough

made a good decision. D'Onfro's Sons have been most cooperative, often expending time, equipment and labor to assuage citizens complaints over and beyond their contract.

Many of our streets have been re-paved under the sewer contract and two were done by the Town. It is expected that the State will repave our main thoroughfare in the summer. With long range planning and finances permitting we hope to repave more.

Our sidewalks are in disarray and some have disintegrated to the point where they no longer exist. Like our roads and streets, this is an issue the Town has to face up to and over a period of time can be resolved.

The five days of torrential rain in July stretched our budget and work force to the limit. However, our Highway crew, our Police Department along with Fire and Rescue in cooperation with State agencies involved, knew their jobs and did them well. Hillsborough was in good hands and no major disaster was encountered.

With the resignation of Donald Knapton, our Tax Collector for many years, Russell Galpin was appointed to fill the void until elections in March. As in any transition, some problems arose but with all of our office staff digging in our tax bills were out on time. Donald was a hard worker for the Town and its citizens and took a lot of expertise with him upon leaving. We wish him well in his new endeavors.

Hillscomb Apartments, 24 new housing units, was built and completed in 1984 fulfilling one of Hillsborough's needs and adding to our tax base as well.

Maple Avenue Cemetery lots are nearly exhausted and because of this a new program was initiated last year to develop the land into new lots on the south side of Shedd Road known as Harvey Memorial. The twelve hundred dollars raised last year was a good start but did not buy the number of lots anticipated. This year we are asking three thousand dollars to develop more and remove rocks at the same time.

Times change and as land becomes scarce alternatives become necessary. Instead of a standard six person lot we will be laying out lots for four and possibly two. This will enable the Town to utilize Harvey Memorial to its fullest extent with very little waste. We ask for your support in this project which has become a must.

Our cemetery crew does their best to mow and trim all

lots with perpetual care on or before Memorial Day. However, a lot has to do with the weather at that time. If we get a rainy week before or during that period there is no way everyone's lot will be mowed in time for decorating. We hope this will explain the delays and thank those who bear with us during this inconvenience.

The New Hampshire Department of Public Works and Highways has made an inspection of seventeen of Hillsborough's twenty-seven bridges stating their capabilities and what measures should be taken to eliminate hazards.

The majority need only minor work which includes approach railings, steel rails on bridges, posting as to weights and width, painting and some surface and cement work. One bridge was recommended to be closed and one for passenger cars only.

The State Highway Engineer presented the Town with estimates of cost to rebuild the bridge they recommended closing to the amount of Two Hundred Thirty Thousand Dollars (\$230,000.00). The State would pay half, the Town the other half and a State Engineer would supervise the project.

The Selectmen and former Road Agent Raymond Daniels reviewed the bridges in question. We found the two on Sand Brook in need of attention in the near future. We recommend the Town appropriate Thirty Thousand Dollars (\$30,000.00) to rebuild both bridges this year with 6' x 11' culverts and doing the work with local contractors.

Our present zoning laws were voted in 1979 with revisions in 1983. They are difficult to interpret as to what can or cannot be granted causing confusion to many. A simplification of our building and use permits will be on this years ballot. They will save the Selectmen, Planning Board and applicants considerable time and money in granting building permits. Particularly in small matters where public hearings and site reviews may be waived. We hope you will vote for its passage.

This years warrant includes an article for a change in the Town's sign ordinance submitted by petition by the Conservation Commission. The Selectmen support the inclusion of this article in the warrant and invite the direction of the voters regarding the issuance of sign permits. We thank the Conservation Commission for the many hours they have spent preparing this ordinance.

At Town meeting time last year the State had just told us that we would have to close our landfill very shortly. After

consultation between the Selectmen and Mr. Sweeney, from the State, a consultant was hired and an engineering firm was contacted to carry out field studies ordered by the State. That study has been completed and the report has been submitted to the State. The engineering firm estimates that we should be able to use our landfill for approximately four more years. Monitoring well locations have been determined by the engineering firm and the wells will be drilled as soon as the State approves the locations.

The Selectmen have continued to work with the City of Concord on their plan for a Regional Solid Waste Resource Recovery Installation. A solid Waste Study Committee was formed with representatives from Washington, Windsor, Deering and Hillsborough. Their report to us is that our best long term alternative for solid waste disposal is to join the Concord Regional Solid Waste Resource Recovery Cooperative. This subject will be covered in more detail under an article in this years Town Warrant.

As authorized by the passage of Article 13 in last years warrant the Selectmen contracted with the New Hampshire Municipal Association to establish a wage schedule and job classification system for Town employees. This has been completed and has been, generally, well accepted by the Town employees.

For this years budget we have increased the steps in the 1984 wage schedule by 2% and established a retirement program for Town employees. Under this program the Town will contribute a sum equal to 3% of each employees wages to the fund and the employee will contribute an equal amount, or more if they so wish. This is equivalent to a 5% general increase in salaries. Since we feel it is important to get most of the employees on step with the new wage schedule, the wage increases for individual employees will not all be the same percentage. In the future, our plan is, the wage schedule will be increased each year by a factor approximately equal to the rate of inflation. An employee will advance to a higher step in their grade based on improved job performance.

ADELBERT A. SKINNER

ERVIN R. LACHUT

SIDNEY E. BLANCHARD

State of New Hampshire

TOWN WARRANT

To the Inhabitants of the Town of Hillsborough, County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet in the Hillsborough-Deering High School Auditorium in said Town on Tuesday, the twelfth day of March, next, at ten o'clock in the forenoon.

Article one, election of officers; Article two, petition for replacement of Section 2.03 of the Hillsborough Zoning Ordinance and Article three, adoption of an ordinance requiring the notice of intent to build and the procurement of building and use permits will take place between ten o'clock in the forenoon and six o'clock in the afternoon. Article four through twenty-four will be taken up at 7:30 P.M.

Article 1. To choose one Selectman for three years; Town Clerk, Tax Collector, Town Treasurer for one year; Trustees of Trust Funds for three years; Trustee of the Fuller Public Library for three years; Water and Sewer Commissioner for three years and all other necessary Town Officers or agents for the ensuing year. (To be voted by the official ballot)

Article 2. To see if the Town will vote to adopt the petition to replace Section 2.03 Signs of the Hillsborough Zoning Ordinance: with a sign ordinance regulating size, location, construction, detailing procedures for application and stating appeal process as proposed by the Hillsborough Conservation Commission. (A copy of which is on file at the Selectmens and Town Clerk's offices) (To be voted on by official ballot) (Not recommended by the Planning Board)

Article 3. To see if the Town will vote to adopt the Building and Permit Use Ordinance as proposed by the Hillsborough Planning Board. (A copy of which is on file at the Selectmens and Town Clerks office) (To be voted on by the official ballot)

Article 4. To hear the reports of the Town Officers to Auditors, Agents, Committees or other Town Officers heretofore chosen or appointed and to pass; or to take any other action in relation thereto.

Article 5. To see if the Town will vote to raise and appropriate such sums of money as may be necessary for the operating expenses of the Town including General Government, Public Safety, Highways, Streets and Bridges, Sanitation, Health, Welfare, Culture and Recreation, Debt Service, Operating Transfers Out and all other current expenses of the Town; or to take any other action in relation thereto.

Article 6. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the purpose of purchasing a new Highway Grader and to authorize the withdrawal of Fifty-one Thousand and Seventy-eight Dollars (\$51,078.00) for said purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the balance of Forty-eight Thousand Nine Hundred and Twenty-two Dollars (\$48,922.00) to be raised by taxation; or to take any other action in relation thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Nine Hundred Dollars (\$10,900.00) for the purpose of purchasing a new Police Cruiser and to authorize the withdrawal of Ten Thousand Nine Hundred Dollars (\$10,900.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for said purpose; or to take any other action in relation thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of Thirty-nine Thousand Five Hundred Dollars (\$39,500.00) for the purpose of making repairs to the Fire and Police Station. Thirty-one Thousand Dollars (\$31,000.00) of said amount being for the repair of the Fire and Police Station roof and the remaining Eight Thousand Five Hundred Dollars (\$8,500.00) for the replacement of the Emergency Generator; or to take any other action in relation thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of Two Thousand Seven Hundred and Five Dollars (\$2,705.00) for the purpose of subsidizing the cost of services (provided by the Contoocook Valley Counseling Center) to Hillsborough residents needing financial assistance; or to take any other action in relation thereto.

By Petition

Article 10. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the purpose of improvements to the tennis court at Grimes Field; or to take any other action in relation thereto.

Article 11. To see if the Town will vote to authorize the withdrawal of Three Thousand Five Hundred Dollars

(\$3,500.00) from the Sewer Department Revenue for the purpose of operating the Sewer Department and to appropriate the sum of Five Thousand Dollars (\$5,000.00) to be withdrawn from the Sewer Reserve Fund for the purpose of improvements to the Sewer system as required during 1985; or to take any other action in relation thereto.

Article 12. To see if the Town will vote to authorize the withdrawal of Thirty Thousand Dollars (\$30,000.00) from the Water Department Revenue for the purpose of operating the Water Department and to appropriate the sum of Five Thousand Dollars (\$5,000.00) to be withdrawn from the Water Reserve Fund for the purpose of making improvements to the Water system as required during 1985; or to take any other action in relation thereto.

Article 13. To see if the Town will vote to adopt the current, 1981 Edition, of the National Fire Protection Association's Life Safety Code 101; or take any other action in relation thereto. (This code deals with life safety from fire and like emergencies. It covers construction protection, and occupancy to minimize danger to life from fire, smoke, fumes, or panic before the buildings are vacated. It specifies the number, size, and arrangement of exit facilities sufficient to permit prompt escape of occupants from buildings or structures in case of fire or other conditions dangerous to life. However, private homes are excluded. This code gives the local authority the jurisdiction.)

Article 14. To see if the Town will vote to authorize and direct the Selectmen to create a plan to provide for improved parking conditions in the Downtown Business District and to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be used for preparation of the plan, said plan to be presented at the 1986 Town Meeting; or take any other action in relation thereto.

Article 15. To see if the Town, pursuant to RSA 80:42, will vote to convey Lot #BA-3 located in Emerald Lake Shores to E. Louise Bernat for the price of all outstanding taxes plus interest and costs to date; or to take any other action in relation thereto.

Article 16. To see what sum of money the Town will vote to appropriate and withdraw from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the purpose of reducing the outstanding indebtedness of the Town; or to take any other action in relation thereto.

Article 17. To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA Chapter 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for the economical and efficient recovery of energy from said solid waste disposal. The cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resource Recovery Cooperative". A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at the Town offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such other instruments, documents, and agreements as the Board of Selectmen may deem necessary and desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take any other action in relation thereto.

Article 18. To see if the Town will vote to rename the road known as the Dump Rd. to Morning St.; or to take any other action in relation thereto.

Article 19. To see if the Town will vote to authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes of which the Town may legally appropriate money; provided; (1) that such grants and other moneys do not require the expenditure of other Town funds; (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and moneys; (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town moneys, all as provided by RSA 31:95-b; or to take any other action in relation thereto.

Article 20. To see if the Town will vote to authorize the Board of Selectmen to sell and convey by deed at a public auction, the title to real estate taken by the Town in default or redemption from tax sale; or to take any other action in relation thereto.

Article 21. To see if the Town will vote to instruct and

AUDITORS' RECOMMENDATIONS

June 11, 1984

To the Board of Selectmen
Town of Hillsborough, New Hampshire

We did not observe any major weaknesses in the system of accounting controls in connection with our examination of the December 31, 1983 financial statements of the Town of Hillsborough, New Hampshire. However, we did observe some bookkeeping practices and related procedures which could be improved. Our observations are summarized below.

Payroll Documentation

Time cards and other payroll documentation obtained from various departments are filed chronologically by pay period. Since no filing medium, such as an envelope or folder, is utilized, the documentation for each pay period often does not remain intact.

We recommend that weekly payroll documentation be filed in envelopes or folders (with the payroll period noted on the outside). This will result in improved payroll documentation and will reduce the risk of loss.

Wastewater Fund Records

The filing of invoices, grant agreements and other docu-

mentation for the wastewater fund is not performed in an orderly fashion. Since the construction of the treatment facility will span several years, considerable documentation will accumulate before operations begin.

We recommend that a better filing system be established. It is essential that this be done soon since the wastewater records will have to be audited in detail when construction is concluded.

Bank Statements

Banks often combine cancelled checks which clear on the same day and report them as a single total on the bank statement.

When this occurs, the bank submits a memo with the statement which lists supporting detail. Occasionally these memos have not been retained by the Town.

We recommend that the memos remain intact with the bank statement since they are the only record of when checks cleared the bank. Without them, it is difficult to examine the Town's monthly bank reconciliations efficiently.

Trust Fund Investments

The principle of the nonexpendable trust funds is invested in several certificates of deposit among two banks. At December 31, 1983 there were over 30 such certificates. Since they all involve different interest rates and maturities it is a difficult task to account for them.

We recommend that the Trustees of the Trust Funds maintain an investment register. This register should include the following information:

- Date purchased
- Bank
- Certificate number
- Interest rate
- Maturity date
- Amount invested
- Interest earned at maturity

This will allow the Trustees to monitor the status of investments at a glance, and to plant reinvestments as certificates mature, thereby maximizing investment income.

We would like to thank the Town officials and staff for the cooperation and courtesy given to us during the course of the engagement. We are proud to have been selected and retained as your independent accountants and we are pleased with the many improvements that have been made to the accounting system in the past year.

Very truly yours,
Melanson Professional Association

AUDITORS' OPINION

Board of Selectmen
Town of Hillsborough, New Hampshire

We have examined the general purpose financial statements of the Town of Hillsborough, New Hampshire as of and for the year ended December 31, 1983 as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards, and included such tests of the accounting records, and such other auditing procedures as we considered necessary in the circumstances.

As discussed in Note I(F)i(b) to the financial statements, the Town did not change its method of property tax revenue recognition in order to conform with generally accepted accounting principles. If the method had been changed, the fund balance in the general fund would have been reduced by \$529,488 at December 31, 1983.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, except for the effects on the financial statements of the matters referred to in the second and third paragraphs of this report, the aforementioned general purpose financial statements present fairly the financial position of the Town of Hillsborough, New Hampshire, at December 31, 1983, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Melanson Professional Association
Nashua, New Hampshire
May 28, 1984

* * * * *

To the Board of Selectmen
Town of Hillsborough, New Hampshire

We have examined the Tax Collector's Report for the Town of Hillsborough for the period January 1, 1984 through August 6, 1984. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the attached Tax Collector's Report presents fairly the account balances for the period of January 1, 1984 through August 6, 1984.

FULLER PUBLIC LIBRARY TRUSTEES REPORT

The past year has been an active one at the library in many ways. New shelves and lighting have been placed in the large front room, along with new carpeting and new window shades. In addition the rooms housing adult reading material have been freshly painted, and the room off the children's section has been turned into a reading room with books covering northern New England housed there.

We received recommendations from the Fire Department chief concerning needed exit lights and some other needs which we are in the process of looking into with the Community Building Board of Directors so that these needs can be met.

A large number of new books has been added to our collection for our readers, and a paper lies on the library desk for suggestions from all who use the library in the way of possible new purchases of books desired.

In July, Rita Morgan, our town librarian for twenty years, retired; and was given a farewell present and party, along with our best wishes for her retirement years. Sadly enough she did not have them fulfilled, as she died suddenly while visiting family members in England. How does one express the sorrow we felt at her passing? Words are never enough, yet they are all we have; and she is missed. As a member of the board for several years the chairman worked closely with her and found her always cooperative, and a good friend. Our condolences have been given her family, and we can but wish them the comfort of God.

When it came time to employ a new librarian we had nine applications, and at the end we asked to interview three of them. Upon calling one, however, she withdrew her name because she was looking for at least forty hours a week, and we do not have that many to offer. After interviewing the other two, we unanimously chose Joan Phipps, a lady of excellent background in library work, and an energetic and enthusiastic person. She has been with us since September first. We are sure that all who visit the library will be more than pleased with her management. The two assistants have been with us now for several years, and have acquainted themselves very well with the work to be done.

The board has drawn up new forms for Library Policy, Job Description for the Librarian, and Personnel Policy - all three of which have been reviewed and accepted by the State

Library. In November the chairman retrieved an oak bookcase from the basement, rebuilt it, and had it placed in the main room where it holds valuable old books, and can be unlocked for perusal upon request of anyone interested.

In addition to other changes the insurance, sadly neglected in the past, has been raised to a respectable amount, though even now it would hardly cover total loss. We shall just continue to hope we never have such a thing.

It has been noticed in the past that the library has a savings account. A reading of its amount this year will find much of it gone, as it has been used in capital expenditures, and will continue so to be. It is also worthy of note that we seem to enter the new year with a large surplus. It is not really so, however, as it represents our trust fund income payable at the end of each year, and is used in the ensuing year for all expenses beyond the town appropriation. It is from this fund that books, periodicals, new furniture, fixtures and other capital expenditures come. Basically the town appropriates salaries and wages plus some over that for minimum emergencies.

We look forward to increasing programs and use of your town library.

CAROLINE FOX FUND FOR BOYS' ACTIVITIES

A meeting of the Caroline Fox Fund Committee was held on June 21, 1984 at the Hillsboro town office. Present: George Gillett, chairman; Sidney Blanchard, secretary-treasurer; Ervin Lachute, Selectman; Rev. George Jobel, Pastor of Messiah Baptist Church; Rev. Ted VanPatten, Pastor of the Hillsboro Methodist Church; Isabell Blanchard, Hillsboro Methodist Church; Karen Sloper; Joyce Marquis.

Meeting opened at 7:30 p.m. The secretary's report was read and accepted. The treasurer's report was read and accepted. The balance on hand was \$478.40.

The committee approved awards of;

Messiah Baptist Church for summer camp scholarships	\$ 120.00
Hillsboro Methodist Church for summer camp scholarships	178.00
Hillsboro Soccor League	50.00

The Hillsboro Soccor League had not been organized at the time of the meeting. The treasurer was instructed to pay them the \$50.00 after they got organized. (They were paid August 7, 1984.)

The committee voted the officers for 1984-1985; George Gillett, chairman; Sidney E. Blanchard, secretary-treasurer.

Meeting adjourned 7:50 p.m.

SIDNEY E. BLANCHARD

SECRETARY-TREASURER

FIRE DEPARTMENT REPORT

FIRE CHIEF REPORT

Once again the Hillsborough Firefighters had a busy year. We responded to 168 calls this past year. The following is our response breakdown: 48 chimney fires, 14 structural fires, 12 car fires, 16 auto accidents, 5 brush fires, 28 mutual aid calls, 3 investigations, 25 false alarms and 17 miscellaneous calls. We responded on mutual aid 28 times: Henniker 20, Deering 2,

Washington 2, Antrim 1, Weare 2 and Bradford 1. We received mutual aid 39 times this past year: Henniker responded 16 times, Deering 11, Washington 11 and Antrim 1. This year we had one suspicious fire of which the Hillsborough Fire and Windsor Police Departments deserve praise.

Again the Chief's position was a busy one. From March until December of 1984 I received over 750 calls for information, permits, meetings, insurance people and construction plan reviews. Over 200 inspections were done in 1984 and there still is a backlog of over 100 to complete.

As a result of the work load I started a new idea in our department, the Fire Prevention Bureau. This task has taken several months to complete, as members were required to take and pass a certified course on inspections. At present we have three members certified, Robert Fulton, Harold Grimes, Jr. and David Holmes and several more are in class. With this added help we hope to reduce the inspection lag and to start new inspections this spring. As you can see this has been a busy year for all concerned and once again our Hillsborough Firefighters responded extremely well and should be commended for their efforts.

Along the lines of Fire Prevention our department has a weekly Fire Wise column in our local paper, the Messenger. From reports we have received this article is a hit. At the present time we hope to continue this weekly article and any suggestions are gladly welcomed.

As Fire Chief I would like to thank all the Town's people, my Firefighters and the Messenger for the excellent cooperation which I have received this past year. This help made my job a little bit easier.

RICHARD RITTER

FIRE CHIEF

POLICE CHIEF'S REPORT

During 1984 the Hillsboro Police Department found itself very busy. During this time we logged 69,195 patrol miles. The Police Department also found itself actively involved in continued education by attending many seminars and police related courses at the New Hampshire Police Standards and Training Council.

We have noticed that there seems to be much more public awareness in regards to reporting of crimes to the Police Department. This is an area in which we are extremely pleased and encourage the citizens of the town to continue, for without the help of the citizens of the town, our job becomes extremely difficult.

The following is a list of major activities during the year 1984:

156	Accidents
41	Burglaries
852	Other Investigations
222	Warnings
316	Parking Tickets
32	Juvenile Matters
35	DWI Arrests
129	Other Arrests
831	Summons

The Hillsboro Police Department wishes to once again thank the citizens of the Town of Hillsboro for their continued support and encouragement for the past year.

Respectfully submitted,

RICHARD R. ROBBINS, JR.

CHIEF OF POLICE

PARK BOARD REPORT

1984 opened another year of intense problems with ice conditions both at Grimes Field and Demag's Rink, that was volunteered for hockey play. Despite poor weather for freezing both rinks received a lot of use.

Early baseball was hampered somewhat by unfinished construction but Babe Ruth Leagues, Little League and the Pee Wee's sponsored by the Park Board enjoyed their usual seasons. Adult softball teams of men and women, youth soccer

and all school sports, after a short delay, used Grimes Field throughout the school year.

The new sprinkler system at our playing fields kept our turf conditioned for play.

Daily maintenance and continued clean up and rubbish removal at all four of Hillsborough's parks provided seven months of useful service for deserving young and old.

Cooperation of volunteers from the Bird and Garden Club at Butler Park was evident, a new raft for Manahan Park, thanks to Bob Bennett and continued support from the Lions Club, Moose Club and local police was realized.

A great year for Manahan Park included a new arts and crafts program, extended bus service, removal of rock and ledge from the swimming area and boat ramp, new sand, given by Mrs. George Edwards, that will be hauled in before spring and many hours of forest improvement and brush burning.

Respectfully,

Hillsborough Park Board

HISTORIC DISTRICT COMMISSION

Compliance study of recoded RSA 672 - 677 undertaken (HCHDC in ruling prior to "Modification" by petition 1975 and Referendum 1979) new RSA copies to Commission members.

RAYMOND BARKER, Treasurer

OFFICE OF YOUTH SERVICES

In 1984 the Office of Youth Services directly served one hundred twenty-two (122) families, providing help with parent/child problems, assistance with protective services, court-ordered supervision, crises intervention, and community resources.

Other families were indirectly affected through community projects, which include:

- free karate instruction in cooperation with Hawthorne College
- popular films shown during school vacations in February and April
- teacher training in the areas of child abuse and neglect
- the Amethyst Education Project, increasing drug awareness in dealing with youth

- Chemical People Task Force meetings, featuring films and discussion on drugs and alcohol
- parenting education and support groups
- youth support groups and peer counselor training
- prevention work on sexual assault and other safety issues.

These programs were offered in response to identified needs. The number of reported cases of physical and sexual abuse has increased dramatically this year. OYS has worked closely with families and with the State Department of Welfare, Division for Children and Youth Services, in following up on these cases.

Children of alcohol-troubled families are a population at risk for alcoholism, as well as a dysfunctional lifestyle. These youths are a second priority for intervention.

Parenting education and support is a third priority, based on the number of requests from both youths and parents for ways to improve relationships and cope with stressful lifestyles.

The Office of Youth Services, now beginning its sixth year of operation, provides services to the Hillsboro and Deering communities, with some resource information being provided to other towns in the vicinity.

Members of the Advisory Board are Jeff Page, Chairperson, Stan Keach, Bill Ryan, Jane Spragg, and Verna Whipple. Director of the program is Pauline Laliberte.

PAULINE LALIBERTE

DIRECTOR

HILLSBORO CONSERVATION COMMISSION

Our Commission has reluctantly accepted resignations this year from two valuable members. Mark Matz, and Russ Galpin. Member Galpin has been our steadying guide as Chairman for some time, and has been instrumental in the sign ordinance coming up for a vote this year. Member Matz has been associated with the Commission for many years and has been the driving force behind the acquisition of many acres of recreational land, including Low State Forest, the West Property at Farley Swamp, and the addition of our Riverfront Property. Our sincere thanks to both of them. We must now fill two vacancies and welcome anyone who is interested in our activities.

Activity wise, this has been a busy year for the Commission. With the help of Don Knapton, and the generosity of the Kemps, we now have a right of way to begin a walk from the Hydro Plant past the Pierce Oven and continuing onto our Riverwalk Property. The Town has agreed to put some fill in place to make passage easier. As a result of the right of way, a generous Hillsborough citizen has agreed to donate funds for refurbishing the Pierce Barbecue Oven. The oven was used for a barbecue during the political campaign of President Pierce, when an estimated 25,000 people came to our town. Mike Best, executive of Hillsborough Hydro, has agreed to meet with Commission members to discuss landscaping around the hydro plant.

Riverwalk Nature Trail brochures have been posted and are available at Webers News, the Post Office, library, and Town Office. We plan to identify flowers and plants along the trail this year with tags. We did not win our federal grant for Riverwalk development.

Our Low Forest board member reports that 200,000 board feet of lumber is being cut at Low State Forest this year, which will result in an income to the Town from timber taxes. We are examining the possibilities of a walking trail from Hillsborough to Bradford, through Low State Forest. Timber cutting on Town owned land is under consideration by the Selectmen and the Commission. Mrs. Prescott Low has donated to the Town, an additional parcel of land, located on Bog road. The land is on the stream from Farrar Marsh and is an excellent recreation site. Mr. & Mrs. Donald Knapton have also donated a parcel of land below our Gleasons Falls site, on Beard Brook Road. We thank both parties for their donations.

Several dredge and fill permits were examined and approved by the Commission this year. One of our members attended an important conference on the preservation of groundwater.

Boundary markers have been installed on the West Property at Farley Marsh. Once a year in the spring, the Commission plants free trees along the Town's roadways. They come from our nursery at Fox Forest. Several were planted this year. Requests are welcome for next year. Extensive work was done at the nursery both volunteer and paid. There are 21 maples 2 elms and others available for planting. This spring we will be surveying the existing elm tree population, securing and planting a disease resistant variety from the Elm Tree Institute. Special recognition will be presented to those owning the oldest elms in the area.

Again this summer the Commission with the Bird and

Garden Club, will sponsor an interested student at Conservation Camp.

At last years Town Meeting we circulated a questionnaire on billboards and signs. Strong support was received in favor of an ordinance. We have prepared and are sponsoring by petition an ordinance for your vote at this years polls.

Acting on a suggestion from the Commission, the Selectmen have authorized an exciting project now in the planning stages. It involves landscaping and possibly a mini-playground on the old Stickney property, now owned by the Town, next to the Fire/Police Station. The Commission will design a plan and do the landscaping and work with the Park Board who will be involved in the Mini-Play area. Hopefully we have volunteers on line for the major cost items. If the volunteers work out and the Selectmen approve final plans we will begin work in the spring.

Respectfully submitted,
Hillsborough Conservation Commission

FOREST FIRE WARDEN & FOREST RANGER REPORT

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 STATISTICS

	State	District	Town
Number of Fires	875	14	3
Number of Acres	335	10.07	.03

MINUTES OF MARCH 13, 1984 TOWN MEETING

At a legal meeting of the inhabitants of the Town of Hillsborough qualified to vote in the Town affairs on the thirteenth day of March, 1984 at ten o'clock in the forenoon at the Hillsborough Community Hall, the meeting was called to order by the Moderator.

Article 1 Voted that the voters of the Town of Hillsborough proceed to ballot for one Selectman for three years; Town Clerk, Tax Collector, Town Treasurer for one year; Trustees of the Fuller Public Library for three years; Water Commissioner for three years; Supervisor of the Checklist for six years; and all other necessary Town Officers or agents for the ensuing year.

Article 2 Voted that the voters of the Town of Hillsborough proceed to ballot to adopt the petition to rezone the south side of Routes 202 & 9 from rural to commercial. To begin at a point of the intersection of Norton Drive and Routes 202 & 9; thence

- (1) following the centerline of Norton Drive to its end; thence
- (2) continuing in the same direction to center line of the Contoocook River; thence
- (3) following the center of the river in an easterly direction to a point in the river which is the southwesterly corner of Langlois and the southeasterly corner of Rymes Heating Oils, Inc.; thence
- (4) turning north 82 52 17" west for a distance of twelve hundred sixty-three (1263) feet to the centerline of the State Highway (Routes 202 & 9); thence
- (5) turning southeasterly along the centerline of the highway to the point of beginning.

Pursuant to vote of the 1983 Town Meeting the inhabitants of the Town of Hillsborough qualified to vote in the Town affairs on the seventeenth day of March, 1984 met at the Hillsboro-Deering School Auditorium to deliberate on Articles three through thirty-one. The meeting was called to order at 9:07 A.M. by the Moderator, with a moment of silent prayer for Fire Chief Howard Page.

Article 3 The voters proceeded to ballot for one hour - Yes - 125; No - 8. With more than two thirds vote, it was voted to appropriate up to three Hundred Thousand Dollars (\$300,000.00) for the purpose of providing additional funds for the completion of the Hillsborough Wastewater Construction Pro-

ject, if needed, and to raise said sum by the issuance of bonds or serial notes of the Town, pursuant to RSA 33:8-A upon terms and conditions set by the Board of Selectmen, and further to appropriate to the purpose of the Hillsborough Wastewater Construction Project any interest or earnings from use of borrowed funds during the course of construction.

Article 4 Under Article 4, the Current Use Report on Page 26 of the Annual Town Report for 1984 was corrected. The total number of acres was added as 1,697.75. The total acres taken out of Current Use in 1983 was changed from 2,358.18 to 6.00. The total acres exempted under Current Use was changed from 17,644.71 to 11,247.33. It was then voted to accept the reports of the Town Officers to the Auditors, Agents, Committees or other Town Officers heretofore chosen or appointed.

Article 5 A motion was made to reduce the budget by \$8,447.00 and that the total Park Department budget item in the budget be reduced by this amount. This motion was defeated - Yes - 115; No - 33. It was voted that the Town raise and appropriate the sum of One Million One Hundred Eighty-six Thousand Seven Hundred Forty-Three Dollars (\$1,186,743) for the operating expenses of the Town including General Government, Public Safety, Highways, Streets and Bridges, Sanitation, Health, Welfare, Culture and Recreation, Debt Service, Operating Transfers Out and all other current expenses of the Town as follows:

Dr. Harrison Baldwin was appointed Acting Moderator for Article 6

Article 6 It was moved that the Town vote to raise and appropriate the sum of One Hundred Twenty-Seven Thousand Dollars (\$127,000.00) for the purpose of building a new Town Highway Barn and to authorize the withdrawal of Sixty-Three Thousand Eight Hundred Dollars (\$63,800.00) for said purpose from the Revenue Sharing Fund Established under the provisions of the State and Local Assistance Act of 1972 and the balance of Sixty-Three Thousand Two Hundred Dollars (\$63,200.00) to be raised for said purpose by the issuance of notes not to exceed Sixty-Three Thousand Two Hundred Dollars (\$63,200.00) under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33:1 et seq, as amended) and to authorize the Selectmen to issue and negotiate such notes and to determine the rate of interest thereon and to take such actions as may be necessary to effect the issuance in the best interest of the Town of Hillsborough; the location to be established by unanimous agreement of the Board of Selectmen.

This motion was then amended to delete the words - "the location to be established by unanimous agreement of the Board of Selectmen.", by voice vote.

A motion to add after the words Town Highway Barn - "in the vicinity of the landfill" was defeated by voice vote.

The motion was then passed as amended - Yes - 129; No - 12, two-thirds majority vote as required.

A second motion under Article 6 to locate the Town Barn at Grimes Field was defeated.

Another motion was made to locate the Town Barn at the Sanitary Landfill. This motion passed by voice vote.

Article 7 Voted to direct the Board of Selectmen to create a plan approved by the Court Accreditation Commission for renovations to the Community Hall for use as a District Court and further to raise and appropriate the sum of Fifty-five Thousand Dollars (\$55,000.00) for said purpose and to authorize the withdrawal of Thirty-six Thousand Three Hundred Dollars (\$36,300.00) from the Revenue Sharing Fund established under the State and Local Assistance Act of 1972 and the balance of Eighteen Thousand Seven Hundred Dollars (\$18,700.00) to be raised by taxation. This was passed by written ballot - Yes - 70; No - 65.

Article 8 A motion was made to strike the words "for the purpose of providing dispatch services for 1984" and replace with "to support the Hillsboro Dispatch Center for 1984." Also amend article to state that Hillsboro Dispatch Center become a department of the town and its personnel policy. Hillsboro selectmen to become Administrators of dispatch center or appoint an administrator at their discretion. This motion was defeated. Voted that the Town raise and appropriate the sum of Seventy-Four Thousand Four Hundred Ninety Dollars (\$74,490.00) for the purpose of providing Dispatch Services for 1984, and to raise by taxation the sum of Fifty-Six Thousand Eight Hundred Sixty-six Dollars (\$56,866.00) the balance to be appropriated from fees paid to the Town of Hillsborough.

Article 9 Voted to raise and appropriate the sum of Twelve Thousand Five Hundred Dollars (\$12,500.00) for the purpose of creating a Master Plan for the Town of Hillsborough and to authorize the withdrawal of Ten Thousand Dollars (\$10,000.00) for said purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the balance of Two Thousand Five Hundred Dollars (\$2,500.00) to be raised by taxation.

Article 10 Voted to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) for the purpose of purchasing equipment for the Hillsborough Highway Department.

Article 11 A motion was made to amend this article to raise Ten Thousand Dollars (\$10,000) by taxation rather than authorize the Selectmen to withdraw Seven Thousand Eight Hundred Thirty-nine Dollars (\$7,839.00) from the Community Building Capital Reserve Fund. This motion was defeated. It was voted to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of roof repairs to the Community Building and to authorize the withdrawal of Seven Thousand Eight Hundred Thirty-nine Dollars (\$7,839.00) plus interest for said purpose from the Community Building Capital

Reserve Fund and the balance of Two Thousand One Hundred Sixty-one Dollars (\$2,161.00) to be raised by taxation.

Article 12 This article was presented and passed as follows - Voted to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.00) for the purpose of purchasing a base station radio for the Hillsborough Fire Department.

Article 13 Voted to appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for the purpose of establishing a wage schedule and job classification system for Town employees and to authorize the withdrawal of Two Thousand Five Hundred Dollars (\$2,500.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for said purpose.

Article 14 Voted to appropriate the sum of One Thousand Three Hundred Eighty-six Dollars (\$1,386.00) plus interest for the purpose of Capital Improvements to Grimes Field and to authorize the withdrawal of One Thousand Three Hundred Eighty-six Dollars (\$1,386.00) plus interest from the Grimes Field Fund for said purpose.

Article 15 A motion was made to amend the Three Thousand Dollars (\$3,000.00) to read Two Thousand Dollars (\$2,000.00) for tennis court repairs which was defeated. The original motion to see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the purpose of Capital Improvements to Parks and Playgrounds was defeated.

Article 16 Voted to appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) from the Sewer Department income for the purpose of operating the Sewer Department for the year 1984 and the sum of Thirty Thousand Dollars (\$30,000.00) from the Water Department income for the purpose of operating the Water Department for the year 1984.

Article 17 Voted to appropriate the sum of Five Thousand Dollars (\$5,000.00) to be withdrawn, as required, from the Water Department Reserve Fund for the purpose of making improvements in the Water System in 1984 and the sum of Five Thousand Dollars (\$5,000.00) to be withdrawn, as required, from the Sewer Reserve Fund for the purpose of making improvements in the Sewer System in 1984.

Article 18 Voted to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for the support of a van, given to the Senior Citizens of Hillsboro, 65 years of age or over, for their transportation.

Article 19 Voted to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.00) for the use of funding programs for Senior Citizens.

Article 20 Voted to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) to support the Contoocook Valley Counseling Center.

Article 21 Under Article 21 the sum was reduced from Twenty Thousand Dollars (\$20,000.00) as printed in the Annual Town Report for 1984 to Twelve Thousand Dollars (\$12,000.00).

Voted that the Town appropriate the sum, not to exceed Twelve Thousand Dollars (\$12,000.00) of which Six Thousand Dollars (\$6,000.00) is to be raised by taxation and Six Thousand Dollars (\$6,000.00) balance to be appropriated from Federal Funds received in accordance with and under the provisions set forth in the Town Report - Article #21.

Voted that the Town appropriate the sum, not to exceed Twelve Thousand Dollars (\$12,000.00) for the purpose of improvements to and beautification of the property of the Town of Hillsborough recently acquired from Duane Williams located adjacent to the Contoocook River. The beautification and improvements to be under the supervision of the Selectmen and the Conservation Commission. Said sum to be raised up to but not exceeding Six Thousand Dollars (\$6,000.00) from general taxation and the balance to be raised by the appropriation of Federal Funds or Grants to be received by the Town for these purposes. To authorize the Selectmen and/or the Conservation Commission to apply for, accept and expend any Federal Funds of whatever nature that are received for the purpose set forth in this Article. No expenditure of the funds raised by taxation shall be under taken unless and until no less than an equal amount of funds shall have been received from other sources by the Town.

Article 22 Voted to raise and appropriate the sum of Two Thousand Three Hundred Dollars (\$2,300.00) as matching funds for the purpose of completing a Community Development Block Grant Feasibility Study.

Article 23 Voted to authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes of which the Town may legally appropriate money; provided; (1) that such grants and other monies do not require the expenditure of other Town funds; (2) that a public hearing shall be held by the Selectmen prior

to the receipt and expenditure of such grants and monies; (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town monies, all as provided by RSA 31:95-b.

Article 24 To see what sum of money the Town will vote to appropriate and withdraw from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the purpose of reducing the outstanding indebtedness of the Town was postponed indefinitely.

Article 25 Under Article 25 the amount was established at Thirty Thousand Two Hundred Dollars (\$30,200.00)

Voted to appropriate and withdraw Thirty Thousand Two Hundred Dollars (\$30,200.00) from the Hydroelectric Studies Fund for the purpose of payment of the note for the purchase of the Williams Property the remainder to be deposited in the General Fund to reduce the tax obligations of the Town of Hillsborough.

Article 26 This Article 26 was not presented as printed in the Annual Town Report for 1984.

Voted that the Board of Selectmen be authorized to accept on behalf of the Town contributions of land or other property which may be offered from time to time and the Selectmen be specifically authorized to sell at public auction any such real estate or other property accepted as contributions to the Town, the net proceeds of such sales to be used for the reduction of the tax obligations of the taxpayers of the Town of Hillsborough. This authority is specifically intended to continue from year to year until modified by a town meeting.

Article 27 Voted to authorize and direct the Selectmen to review the considerations which may be involved in participating with the City of Concord Solid Waste Recovery Project, to enter into discussions and negotiations regarding the project, and report back to the Town as to their findings and recommendations. A decision by the Town to participate or not to participate in the project will be deferred to a special Town Meeting in the fall of 1984, or the regular Town Meeting in March of 1985.

Article 28 Voted to merge the current Board of Water Commissioners and the Current Board of Sewer Commissioners and establish a Board of Water and Sewer Commissioners effective with Town Elections of 1985. Said Board shall have, in addition to any authority granted to the proceeding Boards, the duties and power granted to R.S.A. 149-I, and R.S.A. 38.

Said Board shall consist of three (3) members who shall be elected for staggered terms of three (3) years each. Members of existing Board shall serve until their present term expires. Existing rules and regulations shall continue in effect unless specially amended by vote of the New Board.

Article 29 This Article 29 was not presented as printed in the Annual Town Report for 1984.

Voted to authorize the Board of Selectmen to sell and convey by deed, at public auction the title to real estate taken by the Town in default or redemption from tax sale, acquired by gift or other means.

Article 30 Voted to instruct and empower the Selectmen to borrow such sums of money as may be necessary to meet current expenses of the Town and in anticipation of taxes.

Article 30A This Article 30A was inserted into the Warrant as due to an oversight a petition had not been printed. A motion was made that the Town vote to call upon the Governor and Executive Council, its State Representative (s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Hillsborough and to direct the Selectmen to notify our above listed elected officials of the Towns desire which was defeated.

Article 31 Voted to return Town Meeting to the evening as opposed to Saturday AM.

Voted that the Selectmen and all appointed officers be commended for their service to the Town.

Voted to adjourn at 4:45 P.M.

A true copy attest:
